

ART FOR AUTISM

Dates: 8th-10th January 2010 Venue: Hyderabad

Art for Autism is an International Workshop organised by Velvi and ASAP (Autism Society of Andhra Pradesh). This workshop creates an opportunity for young adults on ASD (Autism Spectrum Disorder) to experience various art forms like Theatre, Movement and Music. This workshop provides an environment for parents, special educators and professionals to look at ASD in a different light.

This workshop is also for Parents, Special Educators and Therapists looking at ASD from a different perspective.

Through various activities that involve Drama, Movement and Music we have discovered ways to open up a new world for children who are on ASD.

Come, participate and see how art can make a difference.
